Attention: Ms. Doris Finlay

Dear Ms. Finlay:

Attached you will find three completed Notification of Hazardous Waste Site forms for sites that may have been used for disposing of hazardous materials by our Keokuk, Iowa plant. Two of the sites (Rose Bros. and Johnson Street Dump) were reported in June of 1981. However, they were not submitted on your EPA Form 8900-1 but on one of our work sheet forms. We are resubmitting these sites on the proper form.

The third site which is our plant site is being reported for the first time since we have just discovered that hazardous materials may have been buried on our plant property, prior to 75.

If you have any questions or need additional information on this matter, please contact the writer at (419) 476-8901.

Sincerely,

G D Sautter
